Re: *United States v. Sakoya Blackwood*, 22 Cr. 460 (JMF)

Dear Judge Furman:

Following up on its letter submission from earlier today, and as directed by the Court, the Government is here filing a redacted version of Exhibit A for the public docket. Exhibit A depicts various false identification documents obtained in connection with the arrest of the defendant and search of her residence. Given the possibility that the identification documents depicted in Exhibit A contain other individuals' personal identifying information, the Government has already requested that an unredacted version be filed under seal and is now filing a redacted version that omits potentially sensitive information.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
Southern District of New York
